

Bonac Amateur Radio Club
Minutes of Meeting
July 26, 2012

The meeting was called to order at 6:14 PM.

MINUTES: A motion was made by Charlie and seconded by Cliff to accept the minutes of the previous meeting.

TREASURERS REPORT: Jerry could not make the meeting. The balance in the club account is the same as last month. Jerry will provide treasurers' report at the next meeting.

NET CONTROL: Steve mentioned that any member can operate the net on Monday evenings and that the script was located on the club website.

FIELD DAY: Field Day was a huge success. Operated by solar power. The club used the 20M yagi which worked very well.

EMAIL ADDRESSES: Mike Lisenco the present section manager for ARRL is running for regional director and requested club e-mail addresses. It was agreed that each individual would have to authorize release of their e-mail address.

FN 40: Steve will ask Jerry for additional information.

LIGHTHOUSE DAY: Lighthouse Day will take place on August 19, 2012. Lighthouse management will be asked if we could move location to the parking lot to reduce noise.

BRAN FERREN: Bran explained his activities in setting up an ALE digital operation – East coast to West coast. Bran will let club members know list of frequencies. Bran is also developing a new off road, any terrain vehicle and will keep us up to date. Discussion ensued regarding NVIS antennas and his project.

ADJOURNMENT: A motion was made by Cliff and seconded by Charlie to adjourn the meeting. All were in favor.

The meeting was followed by a soldering presentation from Cliff.

Attendance: N2NEI, KC2TYY, K2SRB, N2GYI, KC2TGD, KC2PRS and Bran Ferren.
